## A Message from the Superintendent Ministers

**Dear Friends,**

*Let whoever preaches preach God's messages; let whoever serves serve with the strength that God gives them, so that in all things praise may be given to God through Jesus Christ, to whom belong glory and power forever and ever. Amen.*

1 Peter 4:11

We're living in changing times – politically, socially, economically and spiritually. I remember being given a greetings card which said "CHANGE IS A SIGN OF LIFE" - simple but true!

Across the Methodist Connexion churches and circuits are working together to reflect on how God is calling them to witness to his grace and love in a changing context. In the coming months we'll be working together as a circuit to discern where and how God is shaping our mission, and prayerfully considering how we can best use the gifts & resources God has given us to build His kingdom here in our neighbourhood of North East Somerset and Bath.

We know that the work of sharing and giving witness to our faith takes energy, both physical and spiritual, but Peter's words remind us that God will supply the strength we need to do God's work, and he will give us the messages he wants us to share with those we serve and speak to. What a liberating thought!

For our part, we need to remain rooted in God in Jesus, opening ourselves daily to be nourished by his word and asking him in prayer for the strength and the words we need to do what he's called us to do.

It's good to be reminded too, by Peter, that our underlying purpose in all that we say and do, is that praise is given to God in Jesus.

Please join us in praying that together we'll hear God's messages and share them; that God will provide us with the strength and wisdom we need to hear his call and follow where he's leading us; and that, in our individual, church community and circuit contexts, he will help us to fulfil our purpose in bringing praise and glory to God in Jesus, through his Holy Spirit.

Blessings

Jane & David
